PROFESSIONAL EXPERIENCE

Producer

May 2016 – Present

KSTP-TV (ABC)

St. Paul, MN

- Currently the 6:30 a.m. newscast producer, advancing from 4:30 and 5:30 a.m. newscasts.
- Help develop morning plan for reporter story selection, presentation and other key elements of the daily coverage.
- Produce, showcase and update news content to make stories fresh and relevant for morning audiences.
- Booth live newscasts, coordinating with live crews.

Interim Senior Morning Producer, Good Morning Oklahoma

October 2015 – April 2016

KTUL-TV (ABC)

Tulsa, OK

- Oversaw producers, photographers and reporters on the morning newscast.
- Directed local, state/regional and national/world content and reporter story selection.
- Managed and directed crew during breaking news, working with assignment desk to get updates and communicate between live crews and the booth.

Weekend Producer/Associate Producer

April 2015 – October 2015

KTUL-TV (ABC)

Tulsa, OK

- Produced Saturday and Sunday evening newscasts.
- Coordinated weekend reporters and photographers with assignment desk and directed story format and placement.
- Wrote and showcased story scripts, topical promos, cold opens and teases for weekend newscasts.
- Filled in as needed on weekday newscasts (4, 5, 6 or 10 p.m. 30-minute newscasts) and boothed special projects (including severe weather & Obama visit in Oklahoma).
- Boothed live newscasts and coordinate with live shot crews and affiliate stations as needed for team coverage.
- Gathered content from Sinclair sister stations and CNN or ABC wire feeds for use as needed within newscasts.

Producer, Fox News Edge

October 2013 – April 2015

KNWA/KFTA-TV (NBC/Fox)

Fayetteville, AR

- Produced two nightly newscasts: 5:30 p.m. and 9 p.m.
- Developed compelling story showcasing and layout of newscasts using breakouts, graphic elements and camera shots.
- Write story scripts, topical promos, cold opens and teases for each newscast.
- Boothed live newscasts and coordinate with live shot crews and affiliate stations as needed for team coverage.
- Gathered content from Nexstar sister stations and CNN, NBC and Fox wire feeds for use within newscasts.

Web Editor

February 2011 – October 2013

The Garden City Telegram

Garden City, KS

Daily newspaper in southwest Kansas.

- Produced video packages to supplement general news and sports articles using an HD camera and FinalCut software.
- Laid out and designed daily print edition, including proofreading and story selection and placement.
- Updated website using CMS and promote web content and reader engagement via social media.
- Produced multimedia content for website, including videos that placed 1st in the Kansas Press Association's 2012 and 2013 awards contests.

EDUCATION

Loyola University Chicago
